I give consent to Nedbank Limited and its authorised agents, including data providers, (Nedbank, you) to process my and my child's or ward's personal information for background verification checks. These include credit, criminal and qualifications checks; employment references; fraud prevention; identity document or card and driving licence verification; FAIS comprehensive; professional associations; and social media for purposes of supporting the bursary application. I confirm that I am authorised to give consent and indemnity on behalf of the applicant, where the applicant is a minor, for purposes of the bursary application.

I also understand that these background checks may include information from the South African Fraud Prevention Services, Financial Services Conduct Authority and the Register of Employees Dismissed for Dishonesty to determine my honesty and integrity. You may also search my records at credit bureaus and relevant government agencies to verify my identity, and assess my creditworthiness, including guarantees or suretyships for this bursary application.

I also confirm that I have been informed fully of the purpose of the background checks, that I am giving my consent voluntarily, and that I may ask for a copy of this consent and indemnity form for my records, if I need it. I declare that, to the best of my knowledge and belief, all the information and documents I have given for this bursary application are complete, correct and up to date.

I undertake to give you any additional information and documents that you may need in your absolute discretion to verify the information I have given and will inform you of any changes to the information and documents given. Where my personal history needs background checks in other countries where I have worked, studied or lived, I give consent for my data to be transferred to and processed in those countries. I acknowledge that if you find that the information and/or documents I have given you is/are inaccurate, incomplete and not updated, you have the right to, in your absolute discretion, decline my application for the bursary, on that basis.

I indemnify and hold you harmless against any liability, claims, losses, damages, expenses, costs, penalties and/or fines arising as a result of your processing my personal information for purposes of conducting background and credits checks in support of my bursary application.
